Netball Match

On Tuesday 20th June, the year five and six girls went to St Anselms to play a few 5 aside matches. We found some matches very tough and tiring but we managed to win all of them and we all worked so well as a team and gave each other a lot of encouragement and support which really helped when playing. We managed to score 15 goals in total which we were extremely proud of! We really enjoyed it. The year fives can't wait for next year's matches.

Football Match

On the 20th of June 2017 year 5 and year 6 left excitedly to the common for a friendly football match against Saint Anselm's. When we arrived we started to warm up for the football match. When the pitch was set up we started the match and we kept subbing people because we needed to put some fresh legs on the pitch. At the end of the first match Saint Anselm's won with a fair amount of goals. At the end of the second match we lost but we tried our hardest. We were sad that we lost but we were still happy we took part in the football match. At the end of the two games we shook hands and collected all of the cones. We soon left to go back to school to see how the girls were getting on with their netball match.

EDS NEWS

Anya Tomlins-Young has done incredibly well and has been selected to be part of the company that is going to perform in Bussy Malone at Wimbledon Theatre this summer on the following dates 25th/26th August.

It is with regret that we have to inform you that Mrs Rosalyn is retiring this year in September. Rosalyn has been with EDNS for 34 years, Managing both our Seely Hall and Geraldine Rd branches, before joining our school in 1990. Rosalyn has worked in our school for 17 years and has given her love and support to many of our students and their families. She will be greatly missed by all of us.

For the sponsored walk EDNS raised an amazing £1,822.70

Visit from Aisling Passmore

Aisling Passmore is an ex EDS student from September 2002 to July 2010. During her time at EDS, Aisling was an exemplary student both academically and creatively.

Aisling graduated successfully to JAGs and obtained a full bursary and is studying for her A' Levels at present. Aisling has also been accepted to study at Cambridge University.

Aisling came to visit the school on Thursday 22nd June. She gave a talk to the KS2 students about her journey from 4 years old through EDS into JAGS.

She spoke about the importance of "developing a love of learning" and advised them to follow their interests and passions.

Kew Gardens

On Tuesday, Year One went to Kew Gardens and had a fabulous time. We had to work hard to become 'plant scientists' for the morning and we learnt about all the amazing plants that grow at Kew Gardens. We also learnt about how plants grow and how seeds get spread around to create such beautiful plants.

'I liked hiding the raisins and pretending to be squirrels.' Veronika.

'I liked looking at the flowers closely using a microscope and magnifying glass.' Maya.

'I loved seeing what I could find to stick to my plant sheet.' Lili.

After using up all our energy being scientists we were desperate for something to eat. We had our delicious lunch under a giant tree. It was peaceful and quiet and we were shaded from the sun.

After our lunch we went to the treetop walkway, 'It had a great view as we could see all the birds.' Tess. 'We could see London from the top too!' Arthur.

Year One were beautifully behaved throughout the whole day. We ended the day with a lovely cold ice cream.

SPORTS DAY

We were all excited about the day ahead, everyone had a smile on their face and the sun was shining. All the students and the teachers came to school dressed in the colours of their House Teams and the assembly hall looked like a colourful rainbow.

We went over the order of the day in assembly, had lunch and headed for Tooting Bec Athletics Track. We started the day with a warm up, led by the sport's teachers Ben Roe and Scott Allen. The first race was a 400-metre sprint for both KS1 and KS2 students. This was followed by Long jump, hurdles, javelin throwing and discus.

We then had a fun obstacle race where each team had to fill up a container with coloured water climbing through tunnels and over hurdles-the parents had fun joining in this team event.

We then headed for the track once again and did the 100 metre sprint races. This was followed by relays and tug o war for the parents.

While the points were added together the children had sandwiches and ice-lollies. Finally, the winners were announced, Yellow team came first just beating Blue team who came second, Green team came third followed by Red team.

Jack Mann was the fastest KS2 boy for 400M with 76.5
Amelia Molloy was the fastest KS2 girl for 400M with 81.1
Jaiden Kean was the fastest boy for 100M with 15.74
Amelia Molloy was the fastest girl for 100M with 16.22
Well done to all of our great students!

Thank you to all our families who came to support the children. Thank you to Marnie Wills for organizing the events and for Joe Hegarty for continuous support. A big thankyou to everyone who helped to make this day so special.

What a fantastic Sports Day everyone!!
